

CIM Commercial Trust Corporation Announces Rights Offering

DALLAS— June 1, 2021—CIM Commercial Trust Corporation (NASDAQ: CMCT and TASE: CMCT-L) (“we”, “our”, “CMCT”, “CIM Commercial”, or the “Company”), a real estate investment trust (“REIT”) that primarily acquires, owns, and operates Class A and creative office assets in vibrant and improving metropolitan communities throughout the United States (including improving and developing such assets), announced today that it intends to conduct a rights offering for an aggregate of approximately \$137.3 million of newly issued shares of common stock, par value \$0.001 per share, of the Company (“Common Stock”). A record date of 4:00 p.m., New York Time, on June 11, 2021 has been set for the planned rights offering.

“This offering will provide CMCT growth capital and improved financial flexibility, scale, and float, while giving shareholders the option to maintain their ownership percentage in CMCT,” said David Thompson, Chief Executive Officer of CIM Commercial.

“CMCT was one of the most active U.S. listed REITs in selling stabilized assets from 2016 to 2019. We have retained a high-quality portfolio in attractive markets with significant growth potential. While the pandemic delayed our efforts to significantly increase the cash flow and value of our portfolio, we remain confident in these internal growth opportunities. In addition, we are seeing numerous potential attractive acquisition opportunities.”

“We believe utilizing CIM Group’s large-scale real estate platform to source and execute on these potential acquisitions and to execute on our significant same store growth opportunities will maximize shareholder value over the short, medium and long term.”

Upon commencement of the planned rights offering, the Company will distribute to holders of record as of the record date one non-transferable subscription right for each share of Common Stock held by such holder as of the record date. Each subscription right will entitle its holder to purchase one share of Common Stock at a subscription price of \$9.25 per share. Holders of subscription rights that exercise in full such basic subscription rights will be entitled, subject to certain limitations and conditions, to over-subscribe for additional shares of Common Stock that remain unsubscribed for in the rights offering as a result of any unexercised basic subscription rights. If the offering is over-subscribed, then any exercise of the over-subscription privilege will be subject to proration as described in the prospectus supplement in respect of the rights offering. The exercise of the subscription rights will also be subject to any applicable stock ownership limitations set forth in the charter of the Company and as further described in the prospectus supplement. The rights offering is expected to expire at 4:00 p.m., New York Time, on June 23, 2021, unless extended by the Company (the “Expiration Date”).

If you are purchasing shares of Common Stock in order to participate in the rights offering, you need to make sure that the settlement of your purchase occurs on or prior to June 11, 2021, the record date for the rights offering. As a general matter, the settlement date for most stock trades occurs on the second business day after the day the trade is executed (commonly referred to as T+2). We urge you to contact your broker dealer to discuss and confirm the timing of settlement of purchase of shares of Common Stock.

Affiliates of CIM Group, L.P. that operate and manage the Company and beneficially owned approximately 19.9% of the issued and outstanding shares of Common Stock as of May 7, 2021 have indicated to us that they will exercise in full the subscription rights they receive in the rights offering and intend to over-subscribe for additional shares of Common Stock.

Exercising holders will be required to pay the subscription price in full for all shares of Common Stock sought to be acquired in the rights offering (including in respect of any shares sought to be over subscribed for) at the time of submission of their exercise notice. Holders that hold their shares of Common Stock as of the record date through a broker, dealer, bank, trustee, TASE member or other nominee should be aware that such nominee is likely to establish a deadline by which the nominee must receive instructions for the exercise of subscription rights, together with the required subscription payment, that is prior to the Expiration Date. Following the Expiration Date, the Company will publicly announce the results of the rights offering (including the number of shares of Common Stock to be issued in connection with the over subscription privilege). Shares of Common Stock subscribed for and allocated to exercising stockholders are expected to be issued within six business days following the Expiration Date. Any holder that subscribes and pays for a greater number of shares of Common Stock than are allocated to such holder in the rights offering will be refunded the amount of overpayment, without interest or deduction, as soon as practicable after the Expiration Date.

The Company has retained B. Riley Securities, Inc. to act as a U.S. dealer manager and Poalim I.B.I. – Underwriting and Issuing Ltd. to act as an Israeli dealer manager in connection with the rights offering.

The rights offering will be made pursuant to the Company’s Registration Statement on Form S-3 (File No. 333-233255) that was previously filed with the Securities and Exchange Commission (the “SEC”) and became effective on November 27, 2019. The rights offering will only be made by means of a prospectus. The Company is filing with the SEC in respect of the rights offering a preliminary prospectus supplement and the accompanying base prospectus, which will be available on the SEC’s web site. The Company may decide at any time prior to the filing of the final prospectus supplement in respect of the rights offering (which is expected to be one business day prior to the record date) not to proceed with the rights offering, in which case no subscription rights will be distributed to holders of Common Stock.
